Complete electric service lightens farm labor — brightens farm life.

Picture your farm — electrified. Out in the barn the snap of a switch floods the stalls and floors with safe, helpful light. Electric motors hum busily at your command, sharpening tools, grinding feed, running the milking machine, the workshop and the forge blower.

In the henhouse electricity furnishes light for more profitable egg yield. Running water, under pressure, flows at a turn of any faucet at all hours. Up at the house a host of electric helpers do the cooking, the washing, ironing, cleaning, churning and refrigeration — do these things for penny wages, quicker and better than ever before.

Ask for details.

To the Officers and Members of Androscoggin Grange is extended greetings for a prosperous and happy New Year. Let each member strive to do his or her allotted duty assigned to them in this program. Let us one and all be united in making our grange stand for the principals for which it was founded. By a united effort, and a harmonious feeling with all we will succeed.

Each member whose name does not appear in the program will be called upon at some time during the year.

The Program is subject to change as necessity demands. New features will be added from time to time.

SOCIAL

Try a Smile

When you're down and out and grouchy, and the world is mighty blue,
Try a smile.
It's the most infectious habit, and will stick to you like glue,
After while.
There is nothing like good humor to insure a sunny day,
And there's nothing else I know of that will chase the gloom away,
So put on your foolish clothes and go with Nature out to play.
Try a smile.

In Memoriam

This page is dedicated in loving remembrance of our departed Sister, whose voice is silent on this earth, and has passed on to another and a better world.

Emily A. Moulton
Sept. 19, 1934, Age 70

"We cannot say, and we will not say
That they are dead. They are just away,
With a cherry smile and a wave of the hand,
They have wandered into an unknown land,
And left us dreaming how very fair
It needs must be, since they are there
And you - oh you; for the wildest yearn
For the old-time steps and the glad return
Think of them faring on, as dear
In the love of there as the love of here.
Think of them still as the same, we say,
They are not dead - they are just away."

LOOK PLEASANT

We cannot, of course, all be handsome,
And it's hard for us all to be good:
We are sure now and then to be lonesome,
And we don't always do as we should.
To be patient is not always easy
To be cheerful is much harder still,
But at least we can always be pleasant
If we make up our minds that we will.

And it pays every time to be kindly,
Although we feel worried and blue;
If you smile at the world and look cheerful
The world will smile back at you.
So try to brace up and look pleasant,
No matter how low you are down;
Good humor is always contagious,
But you banish your friends when you frown.

—Kansas City Star.

GRANGE CODE

I will be in my place on time.

I will pay my dues promptly.

I will endeavor to attend grange meetings more regularly.

I will learn to state my motions in the fewest words possible.

I will refrain from criticism.

I will speak to the "stranger within our gates."

I will refrain from talking during musical selections the same as I would during an address.

I will avoid making motions in the negative.

I will be charitable. Each member has a right to promote measures in which he is interested and to defend those he disapproves.

I will vote to uphold my opinion, but when a vote is registered, I will submit graciously to the will of the majority.

I will always speak a good word for my grange and encouraging word to the Master and Lecturer.

I will try to make the Grange a better organization from my being a member.

OUR DECLARATION OF PRINCIPLES

We believe that in essentials there should be unity, in non-essentials liberty, and in all things charity.

We affirm that, "An honest man is the noblest work of God."

We scorn not to receive instructions from the humblest object that offers us its lesson.

We believe that a man's life conisteth not in the abundance of things he possesseth, but in the right use of God's blessings.

The highest object of our Order is to develop a better and higher manhood and womanhood among ourselves.

United by the strong and faithful tie of Agriculture we mutually resolve to labor for the good of our Order, our Country, and Mankind.

THE SECRET
OF SUCCESS IS TO BE READY WHEN OPPORTUNITY OFFERS ITSELF
